# STORY WITH PHENOMENAL GIRL

---

Written by  
**P. PARMAR**

*(In each story they start their story with a sentence "Once upon a time" but my kind of story is different. The journey I spented with that girl is described in this whole story, that how such a beautiful girl/soul entered into my life and made me complete person, the start must be something different. So let me raise the toast to the girl I love the most in the whole world. The girl with such a beautiful soul, smile, nature, eyes and especially her long hairs!!!)*

## **Name: Sarita Shetty**

Toh start se shuru karte hai, Sooo pheli baar jab mene yeh naam dekha toh mai socha yeh kaisa naam hai. Phir usne muje apne naam ka matlab bataya "Princess". Massallah, Tab aisa mehsos huva ki jaisa naam vaisi hi yeh sundar ladki hai, dikhne mai bhi aur milne k baad saath rehne mai bhi. Iss ladki ki baatein karu utni kam hai. Log kehte hai ki love at first sight vagera kuch hota nhi hai. Yeh sab faltu concept hai but jab mene isko apne samne real me dekha tab pheli baar aisa feel huva ki nhi logo ka yeh kehna

galat hai. Inse yeh chiz humari ho sakti hai. Phir humne inko jaan ne ko na chaha. Inko jante jante toh yeh feel hone laga ki yeh toh bilkul mere jaisi hi hai. Voh andar se ekdum se strong vibes aane lagi ek dusre ko jaan ne pe, milne pe aur baatein karne k baad. Dheere dheere unka bhi dil humpe aa gaya tha, thik ussi tarah jaisa pheli baar humara unn pe aagaya tha itna saath rehne k baad. Phir yeh pyaar ekdum balance sa hogaya. Sab kuch sahi ho gaya dono taraf se. Ab saath rehne mai aisa lagta hai ki hum ek hi hai aur humari ek hone ki vajese humare andar ki jho sab pareshaniya, humari majburiya, humari soch, humari baatein, humare goals sab ek hogayi hai aur issi vajese se humare bich takat baad ghai hai kafi yeh sab kuch problems dur karne mai aur achese sab kuch pura karne mai. Kitna bhi kuch aiye samne andar ek baat accept kiya tha ki saath dena zarori hai ek dusre ko, samajna zaruri hai ek dusre ko, aur ek dusre ka sabkuch pura karna bhi zaruri hai ek dusre ko.

## **Nickname: Siri**

*(Yeh naam unko, unke gharwalo log ne nahi humne diya hai)*

Hey Siri,

Phele toh Why Siri ? Aur koi naam kyu nhi.

Log aksar apne partner ka naam rakhte hai uske piche wajah hoti hai. Mera tumhara yeh naam rakhne k piche ki wajah yeh hai ki. Log kehte hai na ki iphone mai “Hey Siri” bolne se insan ko uske saare sawaalo k jawaab mil jate hai jho voh dundhne jhaa raha hota hai, thik ussi tarah muje tumhe iss naam se pukarne pe, mere saare dil k sawaalo k jawaab mil jata hai, voh sari muskhile, voh sari pareshaniya, voh akela sa pan, aur andar voh sari samajdari aur jankariya sab kuch hi mil jata hai jab tumhe yaad karta hu thik ussi tarah jaise iphone me iss siri ko yaad karne pe mil jata hai.

## **THAT GIRL IN BLACK (*FAV COLOUR*):**

Hume yeh kafi sunna hai Men in Black. But why only men. Lakdo se jyada khoobsurat ladkiya black mai jyada best dikhti hai. Aur meri wali ki toh baat hi nahi kar sakte. Voh jho bhi pehene black outfits, sab mai unhe dekh k humara ek hi hal hota hai ki hum phigal jaatein hai aur unpe har dum phirse dil aa bethta hai. Aakhein bas unhe dekhti rehti hai unki sundarta ko bina palke japkaye.

## **TRIED TO CHANGED HER MINDSET AND CONVINCE HER THAT TRUE LOVE KIND OF PERSON STILL EXISTS:**

So after so many random conversation I just came to point to ask her that “Koi chahiye nhi tumhe aisa jho tumhara acha kar de rooz”. She replied to this that Akele rehna sikha hai maine kyuki koi humesha k liye sath nhi rehta hai...at

the end hum khud he khud k liye jeena padta hai. Uski yeh baat sunn k ek moment pe muje aisa laga ki iska mindset change karna jaruri hai, inko sab positively lene k liye convince karna jaruri hai. Toh humne yeh chiz ki khosish karne mai unse yeh kaha - But koi toh aisa chahiye na jho bas tumhara soche, Tumhare liye soche. Me voh soch ko badalna chahta hu. Tumhe yeh yakin dilana chahta hu ki haa aaj bhi do log saath me khush ho sakte hai. Kadar karne ka toh dono ka kaam hai ab jane de unko. Nayi shuruvat karni chahiye. And aisa thodi hai ki hamesha vahi uske jaise log milege tuje. Try to give chances to new one too. Meri yeh sab baatein sunn k uska yeh jawaab tha ki “Hm let's see koi Mila aisa tab dekhenge, Joh trust worthy ho”. Yeh baat sunn ne pe ek moment pe muje aisa laga ki muskhil hai inko paane ko khud k liye. But hum haar nhi maane udhar, hum unhe convince karte rahe, unhe samjate rahe, baatein karte rahe, yeh jatane lage ki nhi koi toh hota hi h khud k phele tumhara soche aur tumhara bann k rahe.

**Date: 27 November 2022:**

*(The Date when I got to realised that She is the One)*

The date when everything just got changed. The date on which I was child till the morning and just after meeting her she just converted my version of child into a man.

The date when I just got the reason to love someone. Got that feeling of true and pure kind of love still exist in this kind of toxic world.

The date when I just met/got the exact version of mine in the female form.

The date when we decided to meet each other for the first time. Quite nervous kind of phase it was to be but as soon as we met each other it was totally unexpected. The way we talked and started knowing to each other just brought good vibes between us. It felt like we were knowing each other since long time. So everything just got perfect after all this. The date itself says in hindi (27) - Do Saath. Toh yeh pheli mulaqat k

baad hum kafi bar mile ek dusre se aur har bar milne pe humare bich mai voh pyaar bhadte raha. Hum ek dusre ko jaan ne lage, samajne lage, ek dusre k liye kuch na kuch special chize karte rahe jisse samne wale ko kafi special feel ho, kafi impress karne k tarike se ek dusre ko impress karte rahe. Ek dusre se itne time rehne k baad yeh feel hone laga ki aaj jho hai hum ek hai. Humare ek hone k vajese hum dono mai voh takat kuch iss tarah baad ghai ki usko baat hi nhi kar sakte. Sab kuch ekdum complete sa feel hone laga. Voh ek sukoon sa mehsus hone laga. Sab sahi sa hone laga. Din raat sabkuch ek hogai bas usko dekhne mai aur usko yaad karne mai. Toh jab pheli baar mene tuje dekha tha na face to face tab kaisa feel huva tha pata hai, hmmm!!! Gaaa k batata hu!! Hmmmm pheli phel tuje dekha toh dil mera dhadka haye dhadka, dhaka hayeeyeee.

## ***What just changed in me After see entered into my life:***

Uske aane se phele toh har morning aisa tha ki thik hai jaisa bhi ho din nikal jaye. But uske aane k baad har Morning aisa hogaya tha ki dheere dheere achi jaatein jaatein toh “tumse hi din hota hai” kind of jaisa feel hone laga aur sab sahi sa lagne lagta tha uske baad.

Aisa feel sa hone laga ki sari duniya se mulaqat ek taraf, tere saath baithna, tuje dekhna, ek taraf. Uske aane k baad toh humne waha bhi bas sirf usse manga hai, jaha log zamane bhar ki khushiya mangne jaatein hai. ( Mandir mai) Hum jab saath hote hai, i dont know aisa lagta hai jaisi ki its just something “fits”; “Complete”. When she smile, I melt inside. And everytime when we hug its make me feel like “Phele kyu na mile hum”

Each time we met We just kiss each other like there is no tomorrow. Me toh uss waqt sab kuch bhula k bas ussi moment mai uske saath khoo

jata hoon. Aisa feel hota hai ki bas yeh waqt yahi ruk sa jayein aur hum bas ussi k samne uhi bethe rahe, unhe dekhte rahe, unhe mehsos karte rahe. Unke aane k baad toh aisa hogaya tha ki koi din unke binaa chalu nhi huva naa hi unke bina khatam bhi huva. Jitne din uske saath bitaye hai, har waqt unhone humari subha, duper, shyam aur akhir mai raat bhi sawaar di aur ache shabd (words) mai bolu toh kafi hi khoobsurat si bana di. Har din kuch naya hota tha aur kuch naya sunn ne ko milta tha unke taraf se. Har ek pal aisa tha har ek din ka, ki har ek din special kaha jata hai humara unn k saath mai. Har din better hone laga unka hume saath dete dete. Har din rishte mai ek takat si badti rahi aur sabse ahem baat pyaar bhi badte raha el dusre k liye yeh sab k saath saath. Hum ek ho chuke the kafi jaldi. Yeh jitne bhi din aur mai dusre way mai kahu toh yeh months, yeh months toh muje sal k barabr se lagne lage. Itna jaldi jho ek dusre ko apna k, ek dusre k bann gaye, ek dusre k ho k reh gaye. Sabkuch phele toh sapna jaise tha. Voh aise sapna jaisa jho subhe subhe jaldi aata hai 5 baje k ass pass jho

ekdum achanak se sachmai badal jayee. Toh vahi ek sapna unhone aake humare zindagi ka pura kar diya. Ab humara aisa hogaya h ki hum phele sapne mai dekhte the ki koi kyu nhi aa raha, ab humara aisa hojataa h ki kab bhi soone jaye tab bhi unhe hi dekhne ko mile. Har ek waqt best bana na unn se sikha. Har ek chiz ko sahi tarike se shambhalna unse sikha. Har rishte ko kis tarah rakhna bhi unn se sikha. Ghar walo ko dusre k phele sochna bhi unhone sikhaya. Kaise kisi ka dil jeet sakte hai voh bhi unn se hi sikha. Har chiz unke liye karne ko chaha jho kisi k liye zindsgi mai kabhi bhi karne ko nhi chaha. Har waqt, har din, har mahina humne humara unn k naam kar diya. Har kaam ki chutti humne unke naam kar di. Unke khoobsurati k samne yeh jho bhi bola jaye voh kafi hi fika padh jayega kyuki khoobsurati jaisa shabd bhi inse hi bana h aisa lagta hai.

## **The “Sanskar” she got in herself:**

***(Whatever is written in this paragraph is shared by her to me.)***

Mujhe sirf tum nhi balki tumse jude har khas log chiye.. tumhare parents siblings sabka sath chiye..sabki favourite banna hai mujhe ..aur jab sab meri tarif kare toh sabse zyada tumhe apni choice pe proud feel ho n tumare parents ko proud feel ho mere hone se aise rehna hai future main mujhe. Mere dad ne bachpan se mujhe sab se dur he rakha hai ....n main khush ho but kabhi kabhi esse feel hota hai dusro ki family ko dekhkar ki humare bhi sab relative itne ache hote karke. Jab hum akele rehte hai phir humare bache bhi akele rehna padta hai ..but main chahti hu ki future main humare child ko dadi dada Nana Nani in dono ka pyar mile n unse woh achi adate sikhe ..mere main joh bhi achi adat hai woh mere Nani k wajah se he hai ...so mere experience se yehi lagta hai ke hume akele nhi

balki sab ke sath rehna chiye tab he hum aur humare bache sikhte hai..aage badte hai bado ke blessings ke sath.

Meri nazar main toh dono he equally important hai family se hume zindagi jeene ka tarika sikhte hai toh pyaar se hume zindagi main muskilo se ladne ki taqat deta hai. Family se hum apne dard chupa bhi sakte hai par pyar ke sath koi bhi dard chupaya nhi jata hai ...kabhi hum family ko taqlif nah ho isliye khud ki problem unhe nhi batate hai but joh humara partner hai usse hum apni har taklif share kar sakte hai unke samne roo sakte hai. Phele kaun aaya yah baadme kaun aaya esse family nhi banti But na life main ek insan hota hai joh tumhare akhari dum Tak sath nah chode chiye kuch bhi hojaye phir so wohi tumhara Sacha rishta khelata hai..wahi family ban jati hai phir.

## **BEST COOK EVER I HAD COME ACROSS:**

Yes its true. She is literally what we say in hindi “aanapurna” kind of girl. Uske haatho mai swaad kuch yuh hai ki khane mai apne aap swaad, khushboo aur khane mai char chand lag jaatein hai. Unke haatho ki har dish jho khayi hai ekdum dil k kareeb hai. Har ek dish chahe voh startar ho, main course ho ya phir desert ho, har ek chiz best hai inke haath se bani huvi. Jabse se khaya hu khud pe itna proud feel hota hai ki itni achi ladki ka haath hum ne paa liya iss janam mai. Aaj kal kaha itna acha khana banade aisi ladkiya payi jaati hai. Har kaam mai aage hai yeh ladki ghar k kaam se unke khud k kaam karne tak k safar mai.

## **Short Paragraph On The Places we travelled together by holding each other hand:**

### **MOVIE DATES:**

So, the first time we met each other was for movie that we watched together in maxus mall. So we have decided to watch Bhediya movie. So we had gone as per our plan and after movie we decided to eat something, so we had gone to nearby café of maxus mall. Over there we just talk to each other face to face for the first time. We spend hours over there talking to each other and it made us felt so good that we decided to watch another movie after having meal so we will get more time to spend time with each other. So after food we got for another movie and it was the best time we spend with each other holding hand for the first time and getting so close to each other. It was really the best feeling at that moment. We had gone 3-4 times

together to watch movies in theatre. We have watch many movies together and each time it was like movie best ho ya na ho, spending time with her at that moment was always a best feeling for me.

## **MANDIR/CHURCH DATES:**

Best dates ever. Always in our heart. So the best memories for both of us. As we got to the place because of whom today we both of us are together. We had gone through many temples, church and even darga in this last few months. It bring so peace in us. Just gave relief kind of feeling for us. First time when we got over there we promised each other that we will never leave each other and keep holding each other hand like this only. We just prayed for the good things. We Felt so blessed after that.

## **HOTEL DATES: *(Will always be special and close to my heart)***

So we had gone through so many hotels in this few months. Each time we go we make best memories out of it. We just make ourselves comfortable. It makes us feel so good, peace kind of feeling, just we both having each other time looking at each other, talking to each other like no one disturb us, everything beside us just goes on do not disturb mode and we both having our best time together. We feel so safe, complete with each other.

## **BEACH & RESTO DATES:**

So in this whole journey that we spent together, we had just gone only one time at beach. But after that it made us believe that we should keep on going to beaches. It brings so much peace in our life By watching the waves. We enjoyed a lot there. We captured so many pictures and videos and most probably the best

memories. The beach was not that pretty good but the company I got with me that day (YOU) was pretty good and the best one. Apart from beach we had more resto dates together till date. The best put of all was the valentine night date and the recent one which we had gone in the month of May. Both of the dates are just unforgettable. They were really a special dates.

### **HOME DATES:**

Just unbelievable, unforgettable and unexpected date that I had come across. It was just kind of surprise for me from her. The date was so well prepared that I was so much impressed by each small thing she did for me. She decorated the whole bedroom for me and planned such a good dinner. Everything she did was just wow. It made me totally speechless. She was dress so well at that day. Her outfit just made me look at her continuously. She is best. Ek hi dil tha jho usse de diya tha usne vahi dil phirse jeet liya. I loved everything she did for me at that day.

# **The Best Things I told her** **Till Date:**

**22<sup>nd</sup> MARCH 2023:**

Why only youuu?

Because, I really love her like no one else in this world. Jab hume kuch hota hai tab there is only one person who is most affected and for me its you. And agar tuje kuch huva na toh I will be the most affected person here.

Jitni haseen ye mulakatein hain, Unse bhi pyari teri baatein hain, Baaton mein teri jo kho jaate hain, Aun na hosh mein main kabhi, Baahon mein hai teri zindagi, haaye

Sun mere humsafar, Kya tujhe itni si bhi khabar Ki teri saansein chalti jidhar, Rahunga bas wahin umrr bhar, Rahunga bas wahin umra bhar, haaye.

**23<sup>rd</sup> MARCH 2023:**

**( *Lets Cheer her Up for Hard work she Do*):**

Heyyy so I am here to cheer up my girl. Tu jis tarah hai tuje pata nhi tu kya kuch nhi kar sakti. Tune isse phele bhi aise aise kuch kiya hai ki yeh kya chiz hai tere liye. Maine tuje kabhi dekha nhi hai aakho se kaam karte huve but maine sunna hai tere se ki tu kitna kaam karti hai, aur muje lagta hai ki tu tera kaam kisi bhi tarah se nikal leti h usse pura karne mai. Yeh difficulties aati hai, nhi aani toh aasani se hojane wali chiz mai maza nhi, voh difficult task k vajese hume kuch jaan ne ka ehsas hota hai. Muje pata hai yeh bhi tere se ho jana hai. Kyuki tuje pata nhi koi secretly tere iss kam ko pura karne mai kya kuch nhi sochta hai. Tu himmat haare usmai se hai nhi. Tu piche hatne mai se hai nhi. Tu udas hoti hai, stress bhi leti hai but tu comeback bohot acha karti hai. Aur tu kar legi jho hoga voh. Tu sab sahi kar degi. Daat padna toh sab chizo mai hai. Isse sikhne ko milta hai kuch zindagi mai.

Who is going to be sarita parmar soon,  
Letting you know that this guy is so much into you that even you just get bit close to any kind of sadness he will get to know it and will put back the smile on your face with all his efforts.  
Tuje paane mai jitni der kar di ab tuje utna hi jaldi apnayaa hai aur apna ne k baad tuje hi sab kuch apna tere hawale kar diya hai aur tera sab kuch mere hawale kar liya hai. Mera toh home bhi aap ho ab aur meri partner bhi. Tere liye sabse ladna bhi sahi lagega muje. Kyuki tera nature hi itna sahi h ki kuch bhi karne mai dar nhi h. Din ki shuruvat bhi tumhi karo aur mera din bhi pura tum hi karo.

## **26<sup>th</sup> MARCH 2023:**

Mai kabhi tumpe adhikar karna nhi chahta. Kabhi tumhe prapt karna nhi chahta. Kyuki prem bhi laksh ki hi bhati hai, Paya nhi jeeya jata hai. Pane aur khone ka upkra toh vaypari (business man) ka hota hai, poojari ka nhi. Aur tum mere liye pooja hoo!!!

## **29<sup>th</sup> MARCH 2023:**

But muje toh tere saath hi rehna h na tere dukh mai aur tere sukh mai, tu jaha jayee vahaa pe muje rehna hai, tuje har chiz mai support karna hai, muje kya pareshani honi hai, tera kaisa bhi mood kyu na ho mai toh rehna hi hai na. Ik ik mai samjega tera situation but tuje akela aise chodna bhi mere liye sahi nhi hai na, mai kitna bhi dumb kyu naa hoga muje tera kich kyu nhi samajta hoga but mera ek kaam hai tuje protect karna, tuje yeh ehsas dilane ka ki ismai teri life khatam nhi hoo jaa rahi, isse chod k bhi tere life mai bohot kuch hai jho tu dekhegi toh tuje kuch acha feel hoga usmai. If I will not listen to respect your words phir voh bhi galat kaha jayega mere liye toh isliye tu boli mai kuch bola nhi. But tu na meri wife hai koi aisi vaise gf nhi manta mai teko, toh muje ek moment pe aisa laga ki nhi iske saath rehna hi hai bhale usko mai nhi chahiye toh. Bas usko space chahiye filal thoda toh dega usko mai. Mai teri life mai na samajne wala k saath saath samajane wala bhi insan hoon.

**30<sup>th</sup> MARCH 2023:**

Mai teko samaj sakta hoon mai tuje bola na, toh tu muje rakh saath mai its okay mai teko kych nhi bolne wala, meko nhi problem tere yeh sab se. Mai reh sakta hoon yeh sab hone k baad bhi tere saath. Tuje prptect toh muje hi karna hai. You should not, I am there to make you find your way. Babe I can feel your situation, the way you are going through things but its just affecting your health too. You are too sensitive person I know that too. Thats why I am not leaving you and going any where else. Pyaar chodne k liye thodi kiya tha terese, isliye kiya tha na ki yeh sab se teko bacha lu har tarike se, tuje sahi jagah pe pochane k liye. Just hug the pillow you love the most to sleep on, i am that pillow at this moment, feel me in that, hug it tightlyyy bcoz its me who will heal you in any situation you are in.

I really want to thanks to your nani jinhone apko itna achi baatein samjayi hai aur unke samjane se tumne voh baatein apne dimag mai nhi rakhi sirf tum vaisaa rehti bhi hoo yeh sabse badi baat hai. I feel soo sooo proud at this moment that i just have you aur tere pe mera tag ka life mai. Actually I want to tell our parents ki mera pass jho hai usmai unki beti ko mai kafi achese rakhuga. Mera middle class wala insan hoon but aisa kuch usko kami mehsus hone deni nhi hai ki uske pass kuch nhi hoga. Usko sabkuch dega mai. Amir insan k pass paise hote hai but shambhalne k liye unke pass voh skills nhi hote ladki ko. Usko kaise rakhna chahiye ya treat karna chahiye. Mai usse aisa rakhuga ki usko usmai hi amiro wali feeling aa jani hai mere uske itna support aur saath dene se. Usko aisa hi rakhne wala hoon jaise aap log ne usse rakha hai itne saalp mai. Usko jhooo pasand hai voh karne

Voh royegi toh mai usko manayega uska mood acha karuga jaise aap kiya karte the. Usko har voh chiz pe support karna hai jaise aap kiya karte hai. Aap usko apna mante hoo, but mai toh usko apna khud ka parchai hi manta hoon. Aur mera aisa hai ki mai mere parchai ko mere saath leke hi chalta hoon, mere bajumai mere piche nhi.

## **10<sup>th</sup> APRIL 2023:**

Mai har din tera sahi karna chahta hoon. Teri nazar utarni padegi. Kyuki hum apko kuch jyada hi dekhne lage hai aaj kal. Jabhi freee beththa hoon mobile mai gallery khol k tere photos dekhna chalu kar deta hoon. Bas tuje hi dekhte rehne ko sahi lagta hai. Shayad mai kabhi tumhe samja nhi pauga ki mujhe tumse kitna pyaar hai Par meri aankhein tumhe zindagi bhar iss baat ka jawaab deti rahegi. Jisse crore mai ek kehte hai

na, Haaa vahi, Iss dil k liye vahiii ho tum. Apke dil mai muje 80 umar khed mile, thak jaye saare k sare vakil (lawyer), muje zamanat naa mileeee.

## **11<sup>th</sup> APRIL 2023:**

I am totally into you. Iss vajese tere saath kuch galat hote nhi dekh pata mai. Ik mai tuje phele bohot kuch khe chuka hu aur tu mere taraf se aur bhi bohot kuch sunn chuki hai but mera aisa hai ki mai jhoo bola hu tuje voh itna jyada nhi, jho bolnaaa hai voh kafi nhi, bas tuje kehte rehna sahi hai aur tera muje sunte rehna usse bhi jyada sahi hai. Tu mere liye naa chodne wali aadat bann chuki hai. Tu meri routine bann chuki hai. Tu jaise rooz subhe uth k apna routine follow karti hai vaisi hi mai apne routine k saath saath mera har din apse shuru hone laga hai. Voh uthne par apke bhai ko dekhne k baad apko dekhna sahi lagta hai. Apse hi humara din sahi hota hai. Raat bhi apse puri hoti hai kyuki aap se akhir baatein puri hoti hai. Har pal sahi rakhna hai apke saath. Aapko humara haath thama hai

toh bas uhi nhi thama hai, apka yehi haath pakad k apka pura saath dena hai, har pal sahi karna hai, voh naaa hone wali chizee apke saath possible karni hai, aap k saath jho sahi ho voh karna hai. Apka humare life mai darja kafi upar hai. Apki puri ki puri respect karna mere haath mai hai. I am always into one thing. Just to make you feel good when you are not. Ek hi chiz achi chal rahi h. Voh bhi apke saath humara jho yeh chal raha hai vahi sahi chal raha hai. Aur issi k vajese jho sabkuch galat sa ho rhaa hai yaa chal raha hai life mai, yeh sahi chiz jhoo ho rahi hai voh sab kuch muje bhula k sabkuch sahi saa kar deti hai. Naa din acha lagta hai. Naaa raat achi lagti hai. Agar tumse baat nhi hogi toh ab. Mai ek din apke bina nhi dekh sakta hoon. I am just going to make your birthdate or something else related to you my passwords and I will let you know this or you can suggest me too. Are you a bulb or tubelight my love. Bcoz you just lighten my life by entering into it. Teri mohobbat ka har rang mere ruh mai utar gaya. Tuje sochna, tuje chahana, meri aadato mai badal gaya.

Yeh ladki muje chand mai dikhti hai, Taaro mai dikhti hai, Phool mai dikhti hai, Baharo mai dikhti hai, Lehero mai dikhti hai, Nadiyon mai dikhti hai Yeh ladki muje sadiyon mai dikhti hai

*(The days or the phase when she was totally broken from inside and it was the time for me to make her feel better, make her feel safe with me, make her believe that I am always with her, it was the time to heal her once again from inside by just being with her, stay with her, talk to her, and make her smile in*

*each way. So the way convo took place between both of us.)*

**Parth:** I will never steal, lie or cheat. If i will steal anything, i will steal away your sorrow. If i will lie anything, i will lie with all the nights of your life

And if i will cheat anything, then I will cheat death. Bcoz i couldnt live a day without you. Your dad I think he just gave me the strength to tackle all the problems of yours by supporting you. I am not going to backoff. Everything with you will be going to be get completed with me.

**She:** Kaise dekho yeh sab, Essa kaun karta hai.

**Parth:** Tumhe himmat rakhni padegi. Ik tu kis phase se jhaa rahi h but me teko na yeh sab tuje dimag me na aiye baatein aage jhaa k isliye pura tere liye ho chuka hu. Mai ssly meri sarita ko yuh nhi dekh paa raha. Aisa mat soch papa k liye Voh apni jagah galat nhi the. Hum aaj ka sochte h. But voh the ki aage ka sochte the. Beti ko kuch pareshani naa ho isliye kuch bataya nhi. Wife ko kych problem na hoo isliye kuch bataya nhi

Voh sab tumhare ache k liye kiye tumhe naa batake. Unhe yeh ehsas nhi tha k unke saath yeh hojana h. Varna bas voh yeh vichar mai the ki apne parivar k face pe jho smile hai voh nhi mitne dena hai. Voh tumlog ko koi baat ki taklif nhi dena chahte the yeh sab bata ke. Voh ache the unhone sab apne tak rakha kyuki voh khud naa khush reh k apne parivar ko khush dekhna pasand karte the. Dont make him feel wrong, unhone jho kuch kiya apna matlab chod k tumhare sab k liye kiya. Unko bas pata nhi tha aisa hojana hai varna voh bohot ache insan the mai bolu toh. Mai na mil k bhi bata sakta hoon yeh sab unka toh milta toh unka kya image rehta mere samne me. Mai meri yaha tarif bilkul nhi kar raha. Voh meko jante nhi. Bas unhone kabhi yeh manga hoga bhagwan k pass Ki unhone shayad prarthana zaruri ki hogi ki meri beti ko koi bohot pyaar karne wala insan mil jaye aage jhaa k. Mere jaise hi usse voh rakhe aisa wala insan mil jaye Toh shayad mai hoon vohi. Mai itna kuch bada insan nhi hoon, but mai tera itna acha bilkul sochta hoon ki tuje naa aage ab kabhi yeh na sochna pade ki mai kaise karu yaa kaise

hoga. Aise sawaal aane pe tuje mai dikhu aur hum mil k sab kuch sahi karna hai yeh hi soch hai meri. Muje meri soch ko pura karna hai. Mai samaj sakta hoon tu mere saath aaj kal thik se baat nhi kar paa rahi but mai yeh toh nhi soch k piche hatt sakta hoon ki nhi yeh kuch bol hi nhi toh mai kyu itna piche padu. Muje yeh sab nhi sochna hai, muje bas tera hi ssochna hai ki tera sab sahi hoo. Tuje time lagana hai isliye mai kabhi teko kuch itna bolta nhi bas tuje samaj jata hoon. Believe in the way I think of you, I like to take care of yours.

**She:** Kitna wait kar sakte ho ?

**Parth:** Ik teko meri baatoh pe believe nhi hota hoga iss moment pe. But trust me, me kuch aur soch hi nhi pata tere alava. Muje pata h tuje zarurat h meri. Bas tuje dar h ki kuch ho na jaye Bas mai tere dar ko nhi rakhna chata tere dimag mai. Tuje yrh sab bhulva dena chahta hoon?

**She:** Baat believe ki nhi hai ..baat aisi hai ki mere sath rehne main bohot sari musibat ka samna karna padega..aur yeh sab mera test hai life ki usme tumhe pareshan nhi karna chahti hu...

bohot kuch karna hai mujhe ...joh kuch bikhara Gaya hai woh sabko sametkar phirse ghar banana hai..khudke k sath sukanya ki bhi responsibility uthana hai ....ghar ka beta bankar khada rehna hai ... mummy ko sambhal na hai ...pata nhi yeh sab karne main kitna waqt lagega mujhe...mere aane wala kal kya hoga yeh bhi nhi pata mujhe ...bus sab thik nhi hota tab tak main tumhari nhi ban sakti hu ..aur tumhe Dene k liye bhi mere pass kuch nhi hai ...bus tumhe intezaar karte rehna hoga ...joh main nhi chahti hu. Khudki problems tumhe Dena bhi toh sahi nhi hai na... tumhe kese ghasitu in sab main...isme tumhari koi galti nhi hai..yeh sab meri kismat hai.

**Parth:** Muje kuch nhi problem h tera saath dene mai. Mai bas tuje yeh kshi akele nhi chod sakta Yeh meri zidd samaj ya tu kuch bhi soch, mai teko aise akele chod dega toh mai khud ko maaf nhi kar pauga. Tu meri hi thi aur meri hi rehni h Muje kuch nhi chahiye tere se. Bas tu h utna kafi h muje.

So it was to much difficult phase she was going through, but it was my responsibility to make

her feel believe that I'm with her in each way. I just had many this kind of long conversations on this topics. Just brought her in the normal stage by talking to her each day. It was too much challenging for both of us to go through this phase. The impact was too much. But with the help of god and out kind support to each other she just got neutral in most ways.

***(The day when she thought that I make her feel alive but its actually she made the biggest impact and change everything by entering into my life):***

Vahi tuje bolna tha muje ki. Mai kaisa tha phele Tere aane se phele aur tere aane k baad ki baat. Tuje kyu bolta hu mai ki why you only. Tune bohot kuch kar diya hai mere life mai aake n all. Mai kisi ko bataya nhi tha aur naa hi kisi ko aise feel bhi karne diya ki mai voh chiz mai hoon. Mai

depress tha pura, mai kaam jho karta tha uspe mera maan utar gaya tha kyuki itna sab kuch sahi nhi lag raha tha ki aage ka kuch sahi dikh nhi raha tha. Muje kuch bhi interesting nhi lagta tha life mai, bas ghar pe aata tha aur chup chap sa rehta tha, maan ekduk chid- chida sa tha, meko aise kisi k muh lagne ko bhi maan nhi karta tha. Kaise bhi din jhaa rahe tha mere bas yuhi lag raha tha. Rooz vahi same routine follow hoti thi aur kuch karne ko nhi tha. Jisse bhi baat karne ko try karta tha, baatein toh karte the but phir voh bas thode pal k liye hote the aur kahi gayab se hojatein the. Toh phirse vahi mera hojata tha mood, maan aur dimag sab kuch chup. Khud mai pura kho gaya tha. But yeh sab tab ki baatein thi

Ab jho hai voh alag hai. Jabse aap aiye hooo apne voh chiz kar di na meri zondsgi mai jho koi nhi kiya. Meraa saath dene k liye taiyar hogai. Mujse itni baatein karne lagi ki tumne mere andar phirse mera voh jyada baatein karne wala insan laa diya, kisi ne mere pe believe kiya aur yeh sab main koi bohot hi saal baad muje pyaar karne wala insan mila voh bhi itna acha aur sachha wala

jho maine kabhi nhi socha tha. Tune aake mera voh jho shant wala rop tha usko ekdum se badal diya. Tune meri life mai masala laa diya. Tune muje smile dilaya, tune mera voh depress wala chiz hata diya, tune muje khudko apna karne k baad sabkuch de diya. Mai isliye kabhi tere liye jho karu voh utna kaam hai sochta hoon. Mai aisa bilkul nhi tha jho aaj tu dekh rahi hai. Mai aaj khush hoon kyuki tu hai saath mai Smile hai kyuki tu thik hai hai abhi present mai. Sab vada kiya aur uske baad gayab hogaye But tu jhoo ki voh kar rahi hai aaj bhi, toh yeh farak hai aap mai aur baki logo mai. Aur uss vajese humara apko sabkuch dene mai hum piche nhi hatte.

Udas nazro mai khwaab milege. Kahi kaate toh kahi gulaab milege. Mere dil ki kitab (book) ko apni nazro se padh k dekho. Kahi apki yaadein toh kahi sirf aap milege.

Koi itna pyara kaise ho sakta hai. Voh bhi sara ka sara kaise ho sakta hai. Tujse mil kar bhi agar udasi kam nhi hoti, toh tere bager guzara kaise ho sakta hai.

Isliye bolta hu apko. Samne rakh kar aaina toh dekho. Bewajah tum par fida nhi hue hai hum.

Jab tumse milli toh aisa lag raha tha ki tum meri he mirror image ho karke. Aur koi hum jaisa mile yeh bohot rare hota hai but hume mila hai so we both are lucky. Bohut Purana Ek Khwab Tha Jisse Dekh kar Laga nahi tha ki Puraa Hoga Kabhi Par Ab Jab tumhe Dekhti hu to Apni Akhon ke Samne to Lagta hai ki khawab haqiqat bhi ban jaate hai kabhi kabhi. Listen I want you to be with me forever, doesn't matter how we met or how late we met it's just that some people are so close to us that all we pray is "I need that person to be with me forever" I do the same when I think about you because it's a beautiful feeling when have someone like you who actually knows me better its actually hard to think a day without you. You were a stranger to me, now you are my favourite person, my secret keeper, my personal human dairy, my bestie, my love, a person closest to my heart, a person whom I actually love to talk to whole day, you have always made me feel special in every-way, from those little fights, those little conversations to having those laughs and memories we can never forget. You have become so important to me, that whenever I try to explain you fail. sometimes i behave so weird I cry, smile,I irritate you, I get annoying, I'm worse, its all with you because know you won't

be the person who will leave me for such reasons, you know me well. You know how I always run up to you when need someone. I always feel better when you say "I'm there for you". have thoughts about what would happen if you ever get tired of me & leave me, please don't, I'm Sorry! can't see you getting close to someone else, I'm possessive & thats the reason sometimes I get angry because I am afraid to lose you, you're the only one person have, with whom feel comfortable, you're beautiful and most important to me. Please be with me forever. I feel you in my heartbeat. I find you in my thoughts. I see you even with my eyes closed. I miss you without any reason and I love you with my whole heart.

In 6 mahino main aai tumhe dil se kuch kehna hai. Na jaane kyu aaj dil bhar aaya hai... wo purane din soch soch ke in aankhon se jaise ashqo ka sailaab aaya hai. Dil mein bas tumhari tasveer aur zubaan par bas ek hi naam aaya hai. Aaj tumhein shukriya kehna chahti hu, shukriya jo tumne mujhe chuna...Shukriya jo tumne meri itni parwaah ki, shukriya jo tumhein mujhse pyaar hua, shukriya jo tumne mujhe mere ache bure har wagt mein sambhala..... Shukriya mere saath har wagt khade rehne ke liye... shukriya har ek cheez ke liye. ...Kabhi kabhi main sochti hu, kaise ek insaan kisi ko itna chah sakta hai. Kaise kisi ko kisi ka khayaal baar baar aa sakta hai, kaise koi sab kuch dao pe laga sakta hai zindagi ka har pal kisi ke saath bitane ke liye....Kaise kisi mein itni lagan ho sakti hai kisi ek shaqs ke liye itne lambe samay tak intezaar kar sake... log to bore hi ho jaate hain ek w a t ke baad, par ek tum ho jiska pyaar aaj bhi waisa hai jaisa us din t h a j i s d i n t u m n e m u h e p e h l i b a a r p r o p o s e k i y a t h a ... Dikhta hai yaar, dikhta hai tumhari aankhon mein khud ke liye beshumaar pyaar. Dikhta hai meri takleef se tumhari aankhon mein dard... Dikhta hai tumhare lafzo par har waqt mera naam...Sau baar bhi shukriya karu to wo bhi kam hai, main to har waqt bas bhagwaan se yahi dua karti hu, ki kuch bhi karna bas is shaqs ko humesha humesha salaamat rakhna..Iske har dard ko mera banana, Iske chehre ko har w a t muskurata rakhna, har waqt iske thaali mein khushiyo ko paroste rehna...Darti pehle bhi thi aur darti aaj bhi hu, pehle darr tha ki kahi pyaar na ho jaye. aur aaj darrti hu ki kahi pyaar na chhut jaaye.tumhe kabhi khona h i chahti ho aur

Log toh shadi Agni ki ferre leke karte hai but humne toh phele bappa ke sakshi main tumhe apna life partner maan liya. bewajah se zindagi thi meri tumne aake zindagi ko khas banadi. ab jeena bhi tumhare liye hai aur maut bhi aaye toh tumhari godh main sar rakhkar sukoon se maut lejayee yehi khwaish hai. The older I get, the more I realise that it's not about who knows you the longest, it's about who makes you feel seen, heard, understood, appreciated, supported and loved. So for me you are the most important person in my life cuz with u I feel alive. Yeh sab baate nhi sirf, balki mere Dil main joh feel hota hai woh sab ko words main describe karne ki koshish karti hu. Kehne ko toh bohot sare Jan hai mere life main bhut joh mujhe samjhe waise koi nhi tha including mere parents bhi ek point pe aake nhi samjh paate hai mujhe. but tum itna

samjhte ho woh bohot he mayne rakta hai Main phele sirf bhagwan ke samne apni Dil ki baate karti thi but ab us Jagah pe tum hoo ab.

Jisse milne ke baad bhi , phirse milna Ka Intezaar Rahe, Woh Hai intezaar ho tum. Tumhari Baatein Soch Kar ,mere chehre par aaye woh muskan ho tum. I let you see me naked. Truly naked; mentally, emotionally and spiritually. I bared myself to you. I let your hands trace over wounds that I

hid before I trusted you and we sat as I told you the stories of people you would never wish to meet, but I did.. I've told you all my good n bad experiences that I faced and survived alone, I was such kind of lost person before meeting you. I let you see beneath the sheet of the person that I never let others see, inspite of knowing it would make you leave me...but instead you always hold me in your arms heal me and let my every wounds fade away... In that moment I knew, this love would never leave me ...our bond is so strong n so pure cuz it is tied by God...he has made this beautiful change in our both lives by makes us together n now I always pray that god let us stay like this forever. I know that sometimes I do act like that I want you to go away from me but truth is that I can't imagine my life without you... I'm complete with u and I'm nothing without you..I can't explain in words that what u mean to me that how much I admire you i respect you n i really love you...just i wanna tell you that I can't live without you pls never let me go.. I love you the most in this whole world.

## **Your's one and only:**

***(So As you have gone through our journey that we spend together from beginning till the last month, her is something you need to know from my side for yourself).***

I am here to let you know that what you have, You have me. Mai apni tarif nhi kar raha hu yaha yeh bol k. Bas muje tuje batana hai ki mera kitna saath hai apko. Ik mere pass jho bhi hai filal voh enough nhi hai tuje pura khush karne k liye, but mai mere taraf se apni puri khosish karuga ki tuje aisa khush rakhu ki tere face pe smile rahe uske baad. Mai jho bhi chahta hoon bas tere saath chahta hoon. Mai naa tere aane k baad khud ko akele kabhi nhi mana. Jho bhi hai tuje soch k khud ko chalata hoon. Tere saath jitna hai utna saath kabhi mila nhi muje kisi ka, toh ab mera time hai tuje yeh feel karvane ka ki mere saath se tuje sabkuch kitna sahi lagne lagega. Mera din pe din tere liye pyaar badte jhaa raha hai, aur yeh koi aisa vaisa pyaar kare voh wala nhi hai. Mere pyaar mai teri takat hai, tera

support hai, sab kuch jho tere aane se mila hai muje voh sab baat iss pyaar mai jud gaya hai. Toh teri present situation meko pata hai, mai rooz sochta hoon tera iss vajese, tu jhoo step lene wali hai usmai mera saath hai tuje, tu jho sochegi usmai mai tuje madat karega, mere se jhoo level tak madat ho payegi tere liye voh level tak tuje madat karega. Tuje apna banaya hai khali bolne k liye nhi, tere liye yeh sab kar k tuje achese apna na hai. Tere saath har pal mere saath tha ussi tarah mere bhi saath har pal apke saath hai. Pura tu khud pe kyu le rahi hai, mujse bhi bat (divide) de, aur agar batna nhi toh saath mai pura kar le. Bas akeli sab karna hai muje yeh soch se chalna nhi hai tuje, tuje meko leke chalna hai. Aur mai teko khud k saath hi leke chaluga. Tuje yuh kahi bich mai chod k bhaag jau vaisa insan mai hoon nhi naa kabhi hone wala hoon, mai khud ko maf nhi kar payega ismai toh kyuki tujse kuch galat karna maltaab rab se galat karna yaa kiya voh mana jayega mere liye. Jho hai tere liye sochna hai khud k saath sath. Sab kuch muje dekhna hai par vahi do ticket pe dekhna hai. Mai teri respect karega paka bolta hoon, teri ijazat k

bager aisa kuch nhi karuga jhoo tuje hurt kare. Bas muje kabhi chodna mat. Humne ek dusre ko paka vada kiya hai voh bhi aisi jagah jaha log ek dusre k liye pujte hai. Vaha humne ek dusre ka saath manga tha. Toh hum ek vaha huve the toh hume unke liye ek hi rehna hai. Mai hamesha yeh sochta rehta hoon k tuje kaise khush karu. Aisa kya karu k tuje sabkuch sahi lagne lage aur tera mere liye pyaar badta rahe. Sach batau toh bata na pau utna hai apke liye. Naa kabhi bataya jayega aur jatane pe naa kabhi yeh samaj ayega ki itna kyu. Tere situation ko dekh k mai teko yeh bolna chahta hoon, ki muje pata hai tumne kya khoo diya hai. Toh mai tumhe yehi bolna chahta hoon mai unki tarah toh nhi hoon, but mai tumhare liye voh jitna karte the utna pura khosish karuga. Meko jabse tune unki baatein ki thi, mai khudko unke jaisa bann ne ka khosish kar raha tha tere liye. Kyuuki me teko khush dekhna chahta hoon hamesha. Aur agar mai thoda bhi unke jitna tere liye kar dunga toh muje jyada khushi hogi. Meko pata hai voh jho bhi the voh ek hi hai, unke jaisa koi nhi bann sakega naa hi unki jagah koi le bhi payega, but mai voh nhi

but unke andar jho ghun the, jaise tuje rakhte the, tere bare mai sochte the, tere se jaise pyaar karte the bas vaise hi mai khud ko tere liye banana ki khosish mai hoon aur mai pura bhi karuga. Sarita I seriously just think of you whole day. I just cant get over you bcoz mere liye ab teri happiness mai meri khud ki happiness hai yuh lagta hai. Mai bhi udas sa hojata hoon kyuki tu thik nhi hoti. Mai har pal tumhe yeh batana chahta hoon ki haaa mai tumhare liye available hoon, mai tumhare liye sabkuch karega mere se jhoo hoga, bas meko time de, aur tuje bhi time lagega but meko pata hai tu jitna sensitive hai usse kahi jyada strong hai duniya se ladne k liye. Tu kar legi sabkuch agar hum hai toh sabkuch munkin hai. Just be with each other mera yeh kehna hai. Dhyan do apka. Kyuki apka dhyan dene k liye mai bhi hoon, bas apko khud ko shambhalna hai khudko.

**FURTHER MORE YEARS TO BE SPEND WITH YOU.**
