

AGREEMENT

Myself PARTH PARMAR, want to just make you feel that whatever you get and deserve it from my side is above all the way you are. The below mentioned details are true and confidence enough. Their is no doubt and I agree to the following thing from my side:

I Just wanted to make you feel above the world each day.

I just love to watch you at your best.

I just love to hold your hand so tight that you never get that feeling , that you had lost something in this world.

I just want to be with you in each part of life that your loved never get lost somewhere.

Love to be into you so much that you never allow yourself to watch someone else.

Just want to keep you mine and make you feel like you had got one thing and that is just what you got which no one else could reach there.

I want to see you smiling. Like Always. Like that is all that matters to me. And that is what I want to know, that whatever you are doing, where ver you are, and which ever mental space you are in, You must be happy.

I want you to be that person that you are just feeling happy. And whenever I see that you are not feeling happy, I just don't care about anything else, maybe I am not in solved situation but if I could just make you smile thats all matters to me. Its not that I will succeed every time but I should keep trying that what I think its been truly been a like you know very evolving journey for me.

I will always keep on filling the fuel in you. You will never stop anywhere with my support, or in my presence. I will maintain each thing properly with you. You will always feel beautiful in yourself.

I will always stand beside you. I totally love to sit quiet enough beside you and the same way can also have a conversation with you whole day. Whatever come and go, whoever come and go, but you will always be best for me, that important person for me and will always love to stay beside you and for you.

Tumhe aur kisi ki sachmai zarurat nhi hai life mai agar mai hu toh. Tumhe jho chahiye voh mai pura kar ne ka khosish karega. Rukega nhi mai. Tumhe kahi bhi jana hai meri zimmedari hai tumhe comfortably pochauga.

I will always come with you where ever you want us to go. Will just go each places hand in hand with you. Just with each other company we will make each other feel like we don't need any other person to complete are each thing. Just with our each other support we will make each thing from better to best. And complete our dreams like its may be about to happening someday.

Life is unpredictable, not everything is in our control, but as long as I I'm with right person(YOU) can handle anything, and you SARITA SHETTY are the right person for me.

From YOUR LOVED ONE,

Parth
